EDUCATION

Dr. A. P. J. Abdul Kalam Technical University, Lucknow   **2021 − 2025**
B.Tech - Computer Science and Engineering   *Lucknow, Uttar Pradesh*

Unique Model Inter College   **2021**
intermediate - Science   *Fatehganj (west), Uttar Pradesh*

Unique Model Inter College   **2019**
High School - Science   *Fatehganj (west), Uttar Pradesh*

TRAINING/INTERNSHIP

Web Development Internship at Octanet software services   **September 2023 - October 2023**

- Acquired hands-on experience in **HTML, CSS, JavaScript.**
- Developed a question-and-answer platform with core functionalities and user-friendly design.
- Created a **responsive front-end interface** using industry-standard technologies.

PulseZest - Senior Web Developer   **May 2023 - August 2024**

- Provided **technical leadership** and mentorship to junior developers, fostering a collaborative team environment.
- Conducted **full-stack development** using **React, Node.js, and Firebase** for scalable applications.
- Ensured **code quality** by implementing best coding practices, conducting code reviews, and performing **unit testing** to maintain high standards.

PROJECTS

College App and Web Portal ↗ | HTML, CSS Java Script, MySQL, Dart   **2023**

- Designed and developed a **College Management System** integrating an Android application and a web portal for efficient administration.
- Utilized **HTML, CSS, and JavaScript** for the web portal, and Kotlin and Dart for the Android app development.
- Implemented features for **student profile management, academic record tracking, attendance monitoring, and course management** to streamline college operations.

School Management System ↗ | React.js, Css, JavaScript, Node.js, Firebase   **2024**

- **Role :** Project Lead
- Led the development of a comprehensive **school management system** web portal with a user-friendly interface and robust backend to automate administrative tasks.
- **Features :** Multiple Login Types
- **Super Admin :** Complete control over the system, including user management and system settings.
- **Admin :** Manages school operations and has access to most features.
- **Accountant :** Handles financial records and transactions.
- **Librarian :** Manages library inventory and borrowing records.
- **Receptionist :** Manages front office tasks and visitor logs.
- **Achievements :** Successfully delivered the project within the stipulated timeline.
- Enhanced operational efficiency by automating various administrative tasks.
- Improved user satisfaction through a streamlined and intuitive interface.

AI-Resume-Builder ↗ | React.Js, Node.js, Strapi, PostgreSQL   **2024**

- Developed a **web application** enabling users to create professional resumes with **AI-driven features**, including automatically generated summaries and experience sections using the **Google Generative AI API**.
- Designed a **user-friendly dashboard** with dedicated sections for personal details, experience, projects, education, and skills.
- Integrated **secure login/authentication** (Google, Microsoft, and Facebook), **resume download** (PDF and DOCX formats), and sharing functionalities.

Personal portfolio ↗ | HTML, CSS, Java Script   **2023**

- Designed and developed a **web-based personal portfolio** to professionally showcase an individual's skills, projects, and experience.
- Created a **minimalist and visually appealing design** to establish a strong online presence.
- Implemented **responsive design** using HTML and CSS, ensuring seamless compatibility across various devices and screen sizes.

SKILLS

Programming Languages: Java, JavaScript, MySQL,
Technologies/Frameworks: Html, Css, React.Js, Node.Js, Firebase, Strapi
Developer Tools: VS Code, Github

HOBBIES AND INTEREST

Open-Source Contributions: Actively contribute to various open-source projects on GitHub, enhancing community-driven software and staying up-to-date with the latest development trends.

Hackathons and Coding Competitions: Participate in hackathons and online coding competitions, winning awards for innovative solutions and teamwork.

Gaming: Enjoy playing strategy and puzzle games, which help in honing problem-solving skills and logical thinking.

CERTIFICATIONS

- **Python** - GUVI IIT MADRAS
- Participating HackHound 2.0 - SRM Institute of Science and Technology,Delhi-NCR
- **HTML** - Infosys Springboard
- **CSS** - infosys Springboard
- **Java Script** - Infosys Springboard
- Career Essential in Generative AI By Microsoft And LinkedIn - Microsoft LinkedIn Learning
